

Statement of Safeguarding Principles

The Parish of Holy Trinity with St Columba Parochial Church Council fully recognises and accepts the House of Bishops' Safeguarding Policy Statement "Promoting a Safer Church 2017" and commits to complying with the current Church of England and Diocesan safeguarding policies and practice guidance. In so doing we will comply with the secular multi-agency safeguarding procedures relating to children and young people and adults experiencing or at risk of harm, abuse or neglect.

We are committed to:

- **Promoting a Safer environment and culture within our Parish and in our Parish activities by adhering to safe working practices and acknowledge the principle that safeguarding is everyone's business.**

In addition, we will ensure that any individual organisation renting/using our premises for activities involving children, young people or vulnerable adults is aware of this, our Safeguarding Policy, and aware of their own individual responsibilities to have appropriate safeguarding policies and processes in place, including safer recruitment.

- **Safely recruiting and supporting all those with any responsibilities related to children, young people and vulnerable adults within the Church in accordance with the House of Bishops' Safer Recruitment: Practice Guidance 2016.**

We will ensure those appointed are aware of the Diocesan and Parish Safeguarding Policies and are aware of their roles and responsibilities. We will support them in ensuring they receive Diocesan safeguarding training commensurate with their role and that they are fully aware of and have access to the practice guidance.

- **Responding promptly to every safeguarding concern or allegation in accordance with the statutory child and adult safeguarding procedures and the House of Bishops' safeguarding practice guidance.**

We will ensure that any complaint made regarding a vulnerable person, who may have been harmed or is in significant danger, will be reported immediately and we will fully cooperate with statutory agencies during any **investigation into allegations concerning a member of the church community or any other person.**

- **Caring pastorally for victims/survivors of abuse and other affected persons**

We will endeavour to offer pastoral care and support whilst ensuring any risk has been assessed and is being managed in accordance with House of Bishops' policy and guidance and in collaboration with the statutory agencies and the Diocesan Safeguarding Advisor.

We will ensure that there is an identified person/s to be the Parish Safeguarding Representative/s who will be suitably recruited and trained, and is aware of their role and responsibilities, and who will be the point of contact for any concerns.
